PROFILE

Learning to *pay attention.*

An emerging photographer building a visual practice around close observation, strong composition, and the changing character of natural and urban light. Interested in editorial, documentary, travel, cultural, and creative image-making.

VISUAL FOCUS

Street & documentary

Blue hour, movement, signage, public space, and everyday human stories.

Heritage & architecture

Monuments, structure, geometry, shadow, and the atmosphere of place.

Wildlife & observation

Unscripted animal behavior, texture, and patient framing.

Botanical & macro

Leaves, flowers, rain, color, and small-scale visual worlds.

STRENGTHS

VISUAL COMPOSITION · COLOR EDITING · STORY-LED SEQUENCING · FIELD OBSERVATION · DOCUMENTARY APPROACH · FAST LEARNING

SELECTED PORTFOLIO

60-image portfolio spanning street scenes, heritage, wildlife, people, landscape, flowers, and night photography.
